Division of Research

CORE FACILITIES SHOWCASE

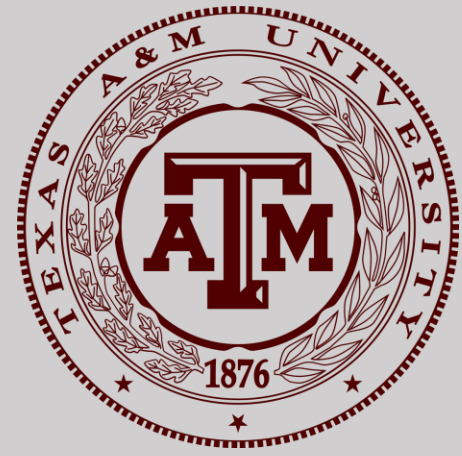

You are invited to our inaugural Core Facility Showcase. This **come-and-go event** will bring together **vendors**, **TAMU core facilities**, and **industry professionals** for a unique opportunity to network, learn, and collaborate. Discover the advanced research infrastructure, services, and capabilities TAMU offers across various disciplines for both internal and external researchers.

Event Highlights:

- **Vendor Exhibits:** Explore cutting-edge products and solutions.
- **Core Facility Showcases:** participating core facilities will present posters and provide detailed insights into their services, emphasizing the latest technologies and advancements.
- **Networking Opportunities:** Connect with TAMU researchers and **local industry professionals** to foster collaborations.

We look forward to seeing you there!
