

Faculty Retooling Seminar & Workshop Resources

Need Help?

- Are you looking for ways to increase your research funding, especially in light of new government changes?
- Are you looking for ways to update your research grantsmanship skills to align with current practices in your field?
- Are you looking to shift your research focus?
- DOR RDS offers many seminars, workshops, and resources to help you accomplish these goals!

Who Should Attend?

- All faculty and staff are invited to attend!
- Anyone that needs help with the grant writing and funding process!
